BUSEY BANK CHECK CLEARING POLICIES, AVAILABILITY OF FUNDS AND COLLECTION OF CHECKS

Our policy is to make funds from your deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks which you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays and federal holidays. If you make a deposit on a business day that we are open, we will consider that day to be the day of your deposit. If you make a deposit after the cut-off times listed, or on a day that is not considered a business day, or on a day that we are not open, we will consider that the deposit was made on the next business day that we are open.

Schedule of Cut-off Times:

- Branches: Close of business
- ATMs: 4:00 PM CST
- Online Banking: 6:00 PM CST
- Mobile Remote Deposit: 5:00 PM CST
- Anytime Line: 6:00 PM CST

Funds mailed to us will be considered deposited on the business day they are received and processed by us. Funds deposited to a night depository, lock box or similar facility will be considered deposited on the business day they are removed from such facility and processed.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit which are returned to us unpaid and for any other problems regarding your deposit.

Longer Delays May Apply: In some cases, we will not make all of the funds you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check you deposit, funds may not be available until the second business day after the day of your deposit. However, the first \$225.00 of your deposit will be available on the first business day. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take the action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,525.00 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the prior six months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

Holds on Other Funds: If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Deposits at Automated Teller Machines: Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will not be available until the fifth business day after the day of your deposit. This rule does not apply at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines.

Special Rules for New Accounts: If you are a new customer, the following special rules will apply during the first 30 days your account is open:

Funds from electronic direct deposits into your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,525.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,525.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than U.S. Treasury check) is not made in person to one of our employees, the first \$5,525.00 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the eleventh business day after the day of your deposit.

SUBSTITUTE CHECKS AND YOUR RIGHTS

What Is a Substitute Check? To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What Are My Rights Regarding Substitute Checks? In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal.

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500.00 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How Do I Make a Claim for a Refund? If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at 1-800-67-BUSEY (672-8739) or by mail at Busey Bank, Attention: Customer Care Center, P.O. Box 4028, Champaign, IL 61824. You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check [and/or] the following information to help us identify the substitute check: account number, check number, the name of the person to whom you wrote the check, and the amount of the check.

If you currently utilize any of these Services, this Agreement replaces all previous Electronic Funds Transfer agreements and disclosures. Please read this disclosure carefully and keep a copy for future reference.

TYPES OF ELECTRONIC FUND TRANSFERS

Generally, an EFT is any transfer of funds initiated through an electronic terminal, telephone/mobile device or our online banking service for the purpose of ordering, instructing, or authorizing a financial institution to debit or credit an account. The term EFT includes but is not limited to:

For the purposes of the Electronic Funds Transfer Act and Regulation E, these are not EFT transactions:

- Any transfer of funds that guarantees payment or authorizes acceptance of any check, draft or similar paper instrument but does not directly result in a debit or a credit to a consumer's account

We will not be liable to you for any damages (including, but not limited to, actual, direct, indirect, special or consequential damages) to the extent that your failure or delay in notifying us that a bill payment was not made prevents us from avoiding or alleviating such damages.

You are responsible for any monetary loss or penalty that you may incur due to the lack of sufficient funds or other conditions that may prevent the withdrawal of funds from your account to pay a bill payment that you have requested.

You agree to notify us in writing if you decide to discontinue the Bill Pay Service.

ADDITIONAL EFT SERVICES

CARD SERVICES

Card Services are those Services that allow you to access your accounts using a card at an Electronic Funds Transfer Terminal, including a POS terminal and ATM ("Terminals"). You may use your Busey Mastercard® Debit Card ("Card") to do the following:

- Make withdrawals from specified checking and savings accounts
- Make deposits to specified checking and savings accounts at specified Terminals
- Make transfers of funds between specified checking and savings accounts
- Obtain balance information from your designated accounts
- Pay for purchases from merchants that have agreed to accept the Card at a POS terminal
- Obtain a checking account cash advance at any financial institution that honors Mastercard®.

Some of these Services may not be available at all Terminals or merchants or with all Cards. Other banking services may be made available through use of the Card in the future. Your Card may not be used for illegal transactions.

For POS transactions, we have the right to place a temporary hold on your account in an amount equal to the authorization amount received through the Mastercard® system. In certain circumstances, Mastercard® permits the authorization amount to be estimated and the amount may exceed or be less than the final amount of the transaction.

We have the right to refuse a transaction on your account when your Card has been reported lost or stolen or when we reasonably believe there is unusual activity on your account.

You understand and agree that payments may not be stopped on any Card transaction.

Request for Card and Personal Identification Number (PIN): You hereby request and apply to us to activate and issue a Card together with a PIN to be used by you to make transactions at Terminals or merchants that have agreed to accept the Card at a point of sale.

Limitations of Amount and Frequency of Transactions: As a security measure, when using your Card at an ATM or a merchant, we will limit the amount that may be withdrawn from your account over certain periods of time. Debit Card and ATM transactions are authorized from the available balance in your checking account plus any available Overdraft Advantage limit, if applicable. Purchases requiring either your signature or a PIN and cash authorizations are limited to a total of \$2,000.00 each 24-hour period. You may make ATM withdrawals in an amount of up to \$500.00 per 24-hour period. For security reasons, there may be times when we further limit the amount and frequency of your Card transactions. The privilege of using the Card in no way constitutes an absolute right to withdraw all funds from your account through the use of the Card.

Fees and Charges: There is no charge for ATM withdrawals at machines owned by us. There will be a \$3.00 charge for each transaction at ATMs not owned by us. This fee does not apply to the checking accounts of customers with the Pillar Banking checking product or who opened their Busey checking account in the state of Indiana. When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used, and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer.

We reserve the right, upon twenty-one (21) days' written notice, to change any fee pertaining to EFT Services.

Payment: Each time you use your Card, the amount of the transaction will be debited from your account. We have the right to return any check or other item drawn against your account to ensure there are funds available to pay for Card transactions. We may, but do not have to, allow transactions that exceed your available account balance or available line of credit. If we authorize a transaction that overdraws your account, we may assess a fee for any overdraft. If you use your Card to access an account that is no longer available to complete a transaction, we may, at our sole discretion, charge or credit the transaction to another account.

International Transactions for Mastercard® Debit Card: International transactions made with your Mastercard® Debit Card may be processed by either the Mastercard® or Cirrus® network. Each time you use the Card to purchase goods or Services or to obtain cash from your account, you authorize us to debit or credit your account in the same way other transactions for your account are handled. If you have transactions using the Card in a currency other than U.S. Dollars, they will be posted to your account and converted to U.S. Dollars at a rate selected by Mastercard® or Cirrus® from the range of rates available in wholesale currency markets for the applicable central processing date. The rate may vary from the rate Mastercard® or Cirrus® itself receives or the government-mandated rate in effect for the applicable central processing date.

The following fees will be assessed on all International Busey Mastercard® Debit Card transactions:

- A .20% (twenty basis points) Currency Conversion Fee will be assessed on International transactions where Cirrus®, Mastercard® or Maestro® has performed a currency conversion function.
- This fee will be based on either a government mandated exchange rate, or a wholesale exchange rate selected by Cirrus®, Mastercard®, or Maestro® and the rate used will be the applicable rate on the day the transaction was processed, which may differ from the date of the transaction or when it posted to the cardholder's account.

- A .90% (ninety basis points) Cross Border Fee will be assessed on all International transactions whether or not a currency conversion function was performed by Cirrus®, Mastercard®, or Maestro®.

Documentation: You can get a receipt at the time you make any transfer greater than \$15.00 to or from your account at Terminals.

Card Ownership and Cancellation: You acknowledge that the Card has been issued by us and remains our property and may be revoked or cancelled at any time without prior notice to you. You agree to surrender immediately the Card to us upon demand. You may elect to cancel at any time by surrendering and returning the Card. Cancellation by you shall not become effective until the Card is actually received by us. BANK BY PHONE

Telephone Transfer Services are those Services that allow you to transfer funds between your accounts by use of a telephone. This includes use of our Anytime Line (automated 24-hour telephone access) and your transfer requests made by telephone to one of our associates. You may access your deposit accounts by using a PIN assigned to you and your account number when calling our Anytime Line. At the present time, you may use the system to:

- Make transfers of funds between specified checking and savings accounts and
- Make loan payments between specified loan, checking and savings accounts.

Request for Personal Identification Number: You hereby request and apply to us to activate a PIN to be used by you to make transfers by use of a telephone between accounts now or later designated by you and us through our Anytime Line.

PREAUTHORIZED TRANSFERS

A Preauthorized EFT is any transfer of money performed by means of a computer or other electronic means that you authorize a third party in advance to make through us at substantially regular intervals. By proper written authorization, you may perform the following types of preauthorized EFTs with respect to checking or saving accounts now or later designated by you and us through our Funds Transfer System:

- Direct deposit of amounts from your employer, U.S. Treasury Department, or other financial institutions to your specified checking or savings account.
- Make loan payments by having amounts sent directly to us for application to specified loans with us.
- Make transfers (such as bill payments) from your accounts with us to persons authorized to receive them.
- Make other EFT transfers that are acceptable to us.

Right to Stop Payment and Procedure for Doing So: If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Call us at 1-800-67- BUSEY (672-8739) or write to us at Busey Bank, Attention: Customer Care Center, P.O. Box 4028, Champaign, IL 61824 in time for us to receive your request three (3) Business Days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. We will charge you \$35.00 for each stop payment order you give.

Notice of Varying Amounts: If these regular payments may vary in amount, the person you are going to pay will tell you ten (10) days before each payment when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.

Liability for Failure to Stop Payment of Preauthorized Transfer: If you order us to stop one of these payments three (3) Business Days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

ELECTRONIC CHECK CONVERSIONS

Your check can result in an electronic funds transfer. This can happen in several ways. For example, you may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to: pay for purchases and pay bills.

At the time you offer a check to the merchant or service provider, you may be asked to authorize the merchant or service provider to electronically collect a charge in the event the check is returned for insufficient funds.

GENERAL PROVISIONS

Authorization of Transactions: Each (i) use of the Card and PIN (if applicable), (ii) use of a password for Busey eBank or (iii) delivery of your written authorization shall be deemed your written signature authorization, and an order for us to make the transaction or transactions designated by you. You agree to be liable to us for all transactions done by, for, or on your behalf by use of any EFT Service.

Security of Card, PIN and Passwords: You understand and acknowledge that the security of any account accessible through use of the Card depends upon maintaining possession of such Card and the secrecy of the assigned PIN, and that the security of any account accessed through Busey eBank depends upon maintaining the secrecy of the chosen Password. You agree not to disclose or otherwise make your Card, PIN, or Password available to anyone not authorized to sign on your accounts. You also agree not to write the PIN on the Card or on any item kept with the Card. If you authorize anyone to use your Card, PIN, or Password that authority shall continue until you specifically revoke such authority by notifying us. If you fail to maintain the security of your Card, PIN or Password, and we suffer a loss, we may terminate your EFT Services immediately. Unless you initiate the phone call, under no circumstances should a Bank employee request your Pin or Password through Busey eBank, over the Internet or through other contact. Do not respond to any such request, even if the person claims to represent us.

Overdrafts: If an overdraft is inadvertently created in any account due to an EFT Service, you agree to repay the overdraft immediately, plus the usual overdraft/return item fees and any extended overdraft fee. If improper overdrafts become a frequent occurrence, we may cancel this Agreement and, if applicable, the eBank Services Agreement.

Periodic Statements: You will be provided a monthly account statement, unless there are no transfers in a particular month. In any case, the statement will be provided at least quarterly.

Preauthorized Credits: If you have arranged to have direct deposits made to your accounts at least once every sixty (60) days from the same person or company, you can call us at 1-800-67-BUSEY (672-8739) to find out whether or not the deposit has been made.

Time of Transaction: All transactions are subject to additional proof and verification, which may result in a delay of posting transactions to your account. Additional delay of payments, or the posting of transactions, may occur when the transactions are made on a Saturday, Sunday or Bank holiday, or on any other day after our Business Day cutoff time; usually such transactions will be effective on the next banking day.

Any demand item, for example, a check, that is included in a deposit or payment transaction shall not be considered to have been presented for payment until after the demand item has been processed, physically removed from the Terminal (if applicable) and an attempt to collect the items is made.

Business Day: Our Business Days for purposes of this Agreement, including processing of claims of errors or performing other internal functions, are Monday through Friday. Holidays are not included.

Transactions Subject to Account Rules: Each EFT shall be governed by this Agreement and subject to the rules, regulations and agreements existing from time to time between you and us with respect to each account to which the transaction relates. Such rules, regulations and agreements are incorporated herein by reference.

Joint and Several Obligations: You agree that the obligations assumed by you in the Agreement shall be the joint and several obligations of all account holders of any designated account.

Service Availability: Some of these Services will not be available with certain employers. Other banking Services may be made available through the use of Preauthorized Electronic Funds Transfers in the future.

Modification or Termination of Agreement: You agree that we may amend or modify the terms and conditions of this Agreement at any time, including partial or complete termination, upon prior written notice to you mailed to the address indicated in our account records. We agree to provide you at least twenty-one (21) days' written notice for any change which would result in increased liability for you, fewer types of available EFT Services or stricter

limitations on the frequency or dollar amount of transfers. However, we may make an immediate change without notice if necessary to maintain or restore the security of our system or any account. If such a change is to be made permanent, written notice will be provided to you within thirty (30) days after the change has been made permanent unless disclosure would jeopardize the security of the system or account.

Changes in Fees: We reserve the right, upon twenty-one (21) days' written notice, to change any fee pertaining to EFT Services.

Applicability of Federal and State Law: Busey Bank is an Illinois State Banking Corporation with its main office located in Illinois. As a result, to the greatest extent allowed by law, the terms and conditions of your deposit accounts and the EFT Services will be governed by applicable federal laws and regulations and the laws of the State of Illinois, including (but not limited to) the Uniform Commercial Code of Illinois. To the extent not allowed by applicable federal and Illinois law, the laws of the state where your account is maintained will govern. These laws and regulations as applied to your deposit accounts are called "Applicable Law."

Notices and Communication: Except as otherwise noted in this Agreement, all notices required to be sent to you will be effective when we mail them to the last known address that we have for you in our records or when we make such notices available to you through Busey eBank or at the last known email address that we have for you in our records. Notices from you will be effective when received by mail at the address specified in this Agreement.

EFT RIGHTS AND RESPONSIBILITIES

Your Liability for Unauthorized Electronic Transfers: Tell us at once if you believe your Card, PIN, or Password has been lost or stolen or you believe that an electronic transfer has been made without your permission using information from your check. Telephoning is the best way of minimizing possible losses. You could lose all the money in your account plus your maximum overdraft line of credit. If you tell us within two (2) Business Days after you learn of the loss or theft of your Card, PIN, or Password, you can lose no more than \$50.00 if someone used your Card, PIN, or Password without your permission. If you do NOT tell us within two (2) Business Days after you learn of the loss or theft of your Card, PIN, or Password, and we can prove we could have stopped someone from using your Card, PIN, or Password without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make, including those made by Card, PIN or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed or otherwise made available to you, you may not get back any money you lost after the sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time. If a good reason, such as a long trip or a hospital stay, kept you from telling us, we will extend the time periods.

Additional Limit on Liability for Debit Mastercard®: You will not be liable for any unauthorized transactions using your lost or stolen Debit Mastercard® provided that:

- You must notify us promptly (generally within two (2) Business Days) after learning of the loss of your Card, PIN, or Password.
- You have exercised reasonable care in safeguarding your Card.

This additional limit of liability does not apply to commercial cards.

Telephone Number and Address to Be Notified in the Event of Unauthorized Transfer: If you believe your Card, PIN, or Password has been lost or stolen or that someone has transferred or may transfer money from your accounts without your permission, call 1-800-67-BUSEY (672-8739) or write to us at Busey Bank, Attention: Customer Care Center, P.O. Box 4028, Champaign, IL 61824. You should also call us at this phone number or write to us at this address if you believe a transfer has been made using the information from your check without your permission.

Our Liability for Failure to Make Transfers: If we do not complete a transfer to or from your account on time or in the correct account according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- If through no fault of ours, you do not have enough money in your account to make the transfer.
- If the transfer would go over the credit limit on your overdraft line of credit.
- If the Terminal where you are making the transfer does not have enough cash.

- If the Terminal was not working properly and you knew of the breakdown when you started the transfer.
- If circumstances beyond our control (such as a fire or flood) prevent the transfer despite reasonable precautions we have taken.

There may be other exceptions stated in our agreements with you.

Disclosure of Account Information to Third Parties: We will disclose information to third parties about your account or the transfers you make: (i) when it is necessary to complete transfers; or (ii) to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or (iii) in order to comply with government agency or court orders; or (iv) if you give us your written permission.

We must hear from you no later than sixty (60) days after we mailed or otherwise made available to you the first periodic statement on which the problem or error appeared.

Call: 1-800-67-BUSEY (672-8739)

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) Business Days. We will determine whether an error occurred within ten (10) Business Days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will provisionally credit your account within ten (10) Business Days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing, and we do not receive it within ten (10) Business Days, we may not credit your account.

For errors involving new accounts, point of sale, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) Business Days to credit your account for the amount you think is in error.

OVERDRAFT ADVANTAGE® STATEMENT

The Terms and Conditions of Your Account controls the duties, obligations and rights of the accountholder and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account, and Busey Bank ("Bank") with regard to your checking account. The Terms and Conditions is incorporated herein for all purposes as if it were set forth verbatim, and its terms shall control any possible conflict between any provision of the Overdraft Advantage® Statement and the Terms and Conditions.

Once your account has been opened, a review will determine if your account is eligible for our Overdraft Advantage® service. Under this service, the Bank may approve your reasonable overdrafts that occur. The approval of reasonable overdrafts is a courtesy and not a right or obligation. In order to be eligible for the approval of an overdraft, the account must be in good standing, which includes at least:

- making regular deposits consistent with your past practices;
- not being in default on any loan obligation to the Bank;
- not being subject to any legal or administrative order or levy.

If your account is eligible for the approval of overdrafts, we will assign an Overdraft Advantage® limit based on your deposit and transaction history. The limit may be increased or decreased at the Bank's discretion based on

the activity in your account. Approved items presented for payment when your account does not contain sufficient funds will be deducted from this limit. If an overdraft is inadvertently created in any account, you agree to repay the overdraft immediately, plus the usual overdraft paid item fees. Items consist of, but are not limited to, checks, in-person withdrawals, ATM withdrawals, or by other electronic means.

The following fees will be assessed for items presented for payment when your account does not contain sufficient funds (current balance) and will be deducted from the limit:

- Overdraft Paid Item Fee (per paid item) = \$35.00
- Maximum Overdraft Paid Item Fee daily = \$210.00 for consumer accounts; no maximum for business accounts

In addition, other applicable Bank fees and charges may also be deducted from the limit when assessed.

Generally, the Bank may limit this service to only one account per household. The payment of overdrafts under the Bank's Overdraft Advantage® service is within the Bank's sole and absolute discretion, and can cease at any time without prior written notice or reason or cause. Credit agencies may be notified if overdrafts are not paid as agreed. This program is automatically provided, and customers have the right to opt-out at any time by contacting the Bank in writing.
