

Overdraft Advantage® Statement

The Terms and Conditions of Your Account controls the duties, obligations and rights of the accountholder and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account, and Busey Bank ("Bank") with regard to your checking account. The Terms and Conditions is incorporated herein for all purposes as if it were set forth verbatim, and its terms shall control any possible conflict between any provision of the Overdraft Advantage® Statement and the Terms and Conditions.

Once your personal account (one primarily used for personal and household purposes) has been opened, a review will determine if your account is eligible for our Overdraft Advantage service. Under this service, the Bank may approve your reasonable overdrafts that occur. The approval of reasonable overdrafts is a courtesy and not a right or obligation. In order to be eligible for the approval of an overdraft, the account must be in good standing, which includes at least:

- making regular deposits consistent with your past practices;
- not being in default on any loan obligation to the Bank;
- not being subject to any legal or administrative order or levy.

If your account is eligible for the approval of overdrafts, we will assign an Overdraft Advantage limit based on your deposit and transaction history. The limit may be increased or decreased at the Bank's discretion based on the activity in your account. Approved items presented for payment when your account does not contain sufficient funds will be deducted from this limit.

Current and Available Balance

It is important to understand the difference between what is listed as your current balance and your available balance. These are not always the same figures.

- Your Available Balance is the amount of money immediately available for withdrawal. This balance includes transactions that have posted to your account as well as any "pending" debit card transactions. Your available balance is reduced by the amount requested for authorization from the merchant and shows as "pending" until the merchant presents the transaction for settlement. At that time, your balances are reduced by the transaction amount. This typically takes one to three business days.
- Your Current Balance is the amount of money in your account after transactions have officially posted. These would include cleared checks as well as debit card transactions that have been finalized. Pending and memo posted transactions are not included.

The following fees will be assessed for items presented for payment when your account does not contain sufficient funds (current balance) and will be deducted from the limit:

- Overdraft Fee/Non-Sufficient Funds Fee (per paid item) = \$35.00
- Return Item Fee (per returned item) = \$35.00
- Maximum Overdraft/NSF fees and Returned Item fees daily = \$210.00 for consumer accounts (No maximum for Business coded accounts)
- Continuous Overdraft charge = If an account is overdrawn for 15 consecutive business days, a fee of \$1.00 per day will be assessed until the account returns to a positive balance.

In addition, other applicable Bank fees and charges may also be deducted from the limit when assessed.

The Bank is not obligated to pay any item presented for payment if your account does not contain sufficient funds, and any payment by the Bank of any non-sufficient funds check or other item does not obligate it to pay any additional non-sufficient funds check or item, or to provide prior written notice of its decision to refuse to pay any additional non-sufficient funds check or item. Other items may consist of checks cashed at our banking centers, withdrawals, checks presented for payment, preauthorized automatic debits, telephone-initiated transfers, or other electronic transfers. ATM withdrawals and everyday Debit MasterCard® purchases may also be included if the depositor has elected (opted-in) to have these items paid when there are non-sufficient funds in the account.

Transactions may not be processed in the order in which they occurred and the order in which they are paid may affect the total of overdraft fees. As a general practice, the transactions will be processed by type of transaction from smallest dollar amount to largest dollar amount in the following order:

- Express or scheduled transfers initiated through eBank, the Anytime Line or through Busey Mobile app for iPad®, iPhone® and Android®, the smallest dollar amount to largest dollar amount.
 - ATM Withdrawals and debit card transactions processed with a PIN, smallest dollar amount to largest dollar amount
 - On-us checks and debit card transactions processed without a PIN, whether or not a signature is required, smallest dollar amount to largest dollar amount
 - Automatic Clearing House (ACH) transactions, transit checks and transfers initiated with a Busey associate, smallest dollar amount to largest dollar amount.

Generally, the Bank may limit this service to only one account per household. The payment of overdrafts under the Bank's Overdraft Advantage service is within the Bank's sole and absolute discretion, and can cease at any time without prior written notice or reason or cause. Credit agencies may be notified if overdrafts are not paid as agreed. This program is automatically provided, and customers have the right to opt-out at any time by contacting the Bank in writing.
