

# WEBEX CONNECTION

In the face of uncertainty, we are working diligently to protect our Pillars and minimize risks where we can—to that end, we strongly encourage our clients and associates to conduct business via teleconferencing and virtual meetings. To mitigate service interruptions, we are offering several ways to connect to Busey via Webex, a service that allows us to seamlessly provide the support and services upon which you depend.

## TRADITIONAL PHONE ACCESS

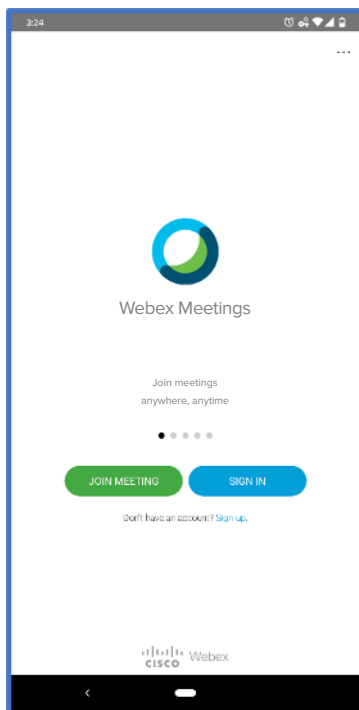

Clients will receive a phone number via an email invitation, which allows for traditional phone access. Simply dial the number listed, enter the provided meeting number and then press pound.

## VIDEO CONFERENCE

If you prefer to video conference with your Busey advisor, you will need to download the Webex app for your mobile device via the [App Store](#) or [Google Play](#).
