

Important Notice to Plan Participants Concerning Your Rights Under the Tandem HR, LLC 401(k) Plan *September 19, 2025*

Quadrant Tool & Manufacturing Company (“the employer”) is making changes to your retirement plan in Fall and Winter 2025. What do these changes mean to you?

- **New Plan**
 - Your employer, effective September 2025, will sponsor the new Quadrant Manufacturing 401(k) Plan.
 - This new 401(k) Plan will be a spinoff from, and remain independent of, the existing Tandem HR, LLC 401(k) Plan. All elective deferrals and/or loan installments deducted from payroll since the beginning of September 2025 will get contributed into the new 401(k) Plan as soon as administratively feasible.
- **New Participant Advisor, Discretionary Trustee & Investment Manager: Busey Wealth Management**
 - Get investment advice, help with retirement planning and more
 - A new menu of investment options will become available within the new Plan
- **New provider for account access: EPIC Retirement Plan Services (EPIC)**
 - New website for account access, including a free mobile app, a helpline and more
- New statement format beginning with the 2025 3rd Quarter statements
 - You can eventually compare statements to confirm balances transferred from Ameritas, the recordkeeper for the Tandem HR, LLC 401(k) Plan, to EPIC.
- Beginning on **October 1st**, on EPIC’s GoRetire site, you will be able to choose your new investment election, establish your designated beneficiary’s information and potentially change your authorized contribution amount that will apply toward future payrolls processed. See additional details below under the “What Should I Do Next?” heading.
- Your Tandem HR, LLC 401(k) Plan account on the Ameritas platform will be **restricted** beginning on **December 9, 2025**. This timeframe is otherwise known as a “blackout period” while the Plan’s assets transfer to EPIC’s recordkeeping system and allows them to carefully review and reconcile accounts. We expect your balance in the Tandem HR, LLC 401(k) Plan to transfer to the new Quadrant Manufacturing 401(k) Plan no later than December 26, 2025.
- If you do not establish an investment election on GoRetire between **October 1, 2025 - December 17, 2025**, then your Tandem HR, LLC 401(k) Plan account balance will be invested into the Qualified Default Investment Alternative (see enclosed QDIA Notice) upon transfer. New contributions and/or loan payments submitted through payroll processing, including those amounts related to September 2025 paydays, will also be invested into the designated QDIA unless you as participant direct a newly established investment election.

How Will the Blackout Period Affect Me?

Beginning on **December 9, 2025**, on the Ameritas online platform, you will be unable to:

- Change your existing or future investments online with Ameritas

- Take a distribution or new participant loan from the Plan. **If you need to request a loan or a distribution from the plan, we recommend that you submit your request to the Tandem HR, LLC 401(k) Plan at least 15 days prior to the blackout period start date.**

What Happens to My Contributions & Investments?

Your current contribution rate from payroll will remain the same throughout this transitional period unless you make a change with your employer or on the new GoRetire website after it becomes available on October 1st. For a comprehensive list of available investment options, please see the enclosed fee disclosure (Investment & Fee Notice).

What Should I Do Next?

Access and set up your account sometime on, or after, **October 1st**. You'll be prompted to confirm a contribution rate (leave this alone if you do not want to change your current 401(k) deferral rate), choose your investments and add your beneficiaries. Getting started is easy! Download the app or visit the URL below.

-  mobile app in the App Store or Google Play
- <https://go-retire.com/Busey>

Investment and Fee Notice

This document contains important information concerning our retirement plan. The first section provides you with information about the plan in general, including any expenses you might incur through participation in the plan or through taking advantage of different plan features. The second section provides information about the plan's investment alternatives, including any fees or expenses associated with those investments.

If you have any questions concerning any of this information, contact your Plan Administrator: QTM Holdings, LLC dba Quadrant Tool & Manufacturing 1720 W. Irving Park Road Schaumburg, IL 60193

Other Plan Information

The Plan is intended to be an ERISA Section 404(c) plan. This simply means that you "exercise control" over some or all of the investments in your Plan account. The fiduciaries of the Plan may be relieved of liability, or responsibility, for any losses that you may experience as a direct result of your investment decisions.

As a Plan participant, you may request certain information from your Plan Representative listed above. This information includes: annual operating expenses of the Plan investments; copies of prospectuses, financial statements, reports, or other materials relating to Plan investments provided to the Plan; a list of assets contained in each Plan investment portfolio; the value of those assets and fund units or shares; and the past and current performance of each Plan investment.

You give investment directions for some or all your Plan account, selecting from investment choices provided under the Plan, as determined by Quadrant Manufacturing 401(k) Plan and/or the Plan's Investment Manager. You can change your investments at any time.

In our plan, unless the Plan Administrator and/or Plan Trustee has delegated this responsibility to another person or entity, the Plan Administrator and/or the Plan Trustee has the responsibility for the voting and the tendering of mutual fund shares relating to the assets held by the trust.

Plan Related Expenses

Retirement plans have different types of expenses.

Administration expenses - These are charges for general plan administrative services to the Plan that may include, but are not limited to, legal, accounting, custodial, trustee, investment advisory, participant education and recordkeeping expenses. In the Plan, these expenses may be paid partly by the Plan Sponsor and partly by participants. If applicable, a participant's explicit share of these expenses may be allocated on either a pro rata or a per capita basis. If applied pro-rata, your share of these expenses is based on the value of your account balance over the total assets in the Plan. If applied per-capita, your share of expenses is determined by dividing the total expense by the number of participants in the Plan. Deducted fees, if any, are displayed as a dollar amount on your quarterly statements.

The plan may benefit from revenue sharing. If it does, it is either credited back to the accounts of the participants that generated it or used to reduce expenses that could otherwise be deducted from participant accounts.

Recordkeeping/Administration Fees

Annual fee to the plan is:

Annual Asset Based Fee 0.1400%,

Asset Based Advisor Fee (Scheduled): Pro-Rata

Discretionary Trustee and Investment Management Fee- 60bps

Tier	Assets Under Management	Rate
1	All Assets	0.60%

Individual Expenses - These are expenses you may incur if you take advantage of certain Plan features.

- A \$85.00 lump sum distribution fee.
- A \$85.00 in-service distribution fee.
- A \$85.00 hardship distribution fee.
- A \$85.00 required minimum distribution fee.
- A \$150.00 loan setup fee for each new loan.
- A \$350.00 Qualified Domestic Relations Order (QDRO) processing fee.
- A \$50.00 overnight mail delivery fee.

The table depicts the performance of the plan's designated investment alternatives over different time periods and allows you to compare them to an appropriate benchmark for the same time periods. While you cannot invest in a benchmark, the performance of the benchmark will give you an idea of how well the investment did in the same time period.

In addition to providing investment information, the table below shows fee and expense information for the plan's designated investment alternatives. Total Annual Operating Expenses are expenses that reduce the rate of return of the investment option.

Some investment options available in the plan may apply trading restrictions or shareholder type fees. The table below provides information on these restrictions and shareholder type fees.

Please note, past performance does not guarantee how the investment option will perform in the future. Your investment in these options could lose money.

* Although restrictions may apply at the fund level, they may be waived for retirement plans under certain circumstances. Refer to your fund's prospectus for more information.

The cumulative effect of fees and expenses can substantially reduce the growth of your retirement savings. Visit the Department of Labor's Web site for an example showing the long-term effect of fees and expenses at http://www.dol.gov/ebsa/publications/401k_employee.html. Fees and expenses are only one of many factors to consider when you decide to invest in an option. You may also want to think about whether an investment in a particular option, along with your other investments, will help you achieve your financial goals.

Please visit <http://www.investmentterms.com> for a glossary of investment terms relevant to the investment options available under this plan. This glossary is intended to help you better understand your options.

Additional information and more recent performance for each of the designated investment alternatives can be accessed through your plan's Retirement Education Center (R.E.C.). To view this information, go to <https://rec.epicrps.com>, enter DZVDZV as the R.E.C. code in the designated R.E.C. field and click 'Enter'. (Please note that your plan's R.E.C. ID is case sensitive so enter the ID using all upper-case characters). To review additional investment information, go to the Investment Information page on the R.E.C. You can access the investments's prospectus by clicking on the "P" icon. If you click on the "F" icon you will be directed to the fund's fact sheet.

Please contact the Participant Service Center should you have any issue with accessing the information or if you would like a free printed copy of the investment information, that is available via the R.E.C.
