Online Bidding Procedure

- All bids on these tracts will be visible online, but the identity of bidders is confidential. Auctioneer reserves the right to set the increments at which bids may be advanced. Any bid you place during the auction is a legally binding offer to purchase real property being auctioned. Your bid may be accepted by the auctioneer and the terms and conditions for the auction will be part of the foregoing agreement. All bids shall be deemed "pending" unless and until they are accepted by the auctioneer and no bid shall be deemed a valid bid unless and until it is accepted by the auctioneer. This includes the discretion to reject any bid which the auctioneer believes does not advance the auction or is injurious to the auction. Bids that appear to the auctioneer to be nominal, suspicious or suspect may be rejected by the auctioneer.

Technology Use

- Busey Farm Brokerage is not responsible for technology failures and cannot be held liable if your bids are not accepted. In the event of a technology failure, internet outage on our part or other technical difficulties related to the server, software, or any other online related technology, Busey Farm Brokerage reserves the right to extend, continue or close bidding. Neither the software provider, nor Busey Farm Brokerage shall be held responsible for a missed bid or failure of the software to function properly for any and all reasons.
