

International Student Banking

*At Busey, we understand there are many decisions to make when you arrive to the United States for your studies. **Let us make your banking hassle free!***

Busey offers an array of products and services tailored to your specific needs.

- **International Banking Coordinator:** We understand adjusting to the American banking system may be difficult that's why we have an experienced international banking coordinator to assist you. From opening your account to managing your finances, we will be there every step of the way.
- **24-hour ATM Access:** Our conveniently located ATMs ensure you access to your money, anytime, anywhere.
- **Online Services:** Manage your finances whenever you want, wherever you are with our progressive hub of online services—including mobile banking with apps for iPhone®, iPad® and Android™, Busey text and Bill Payment.
- **Wire Transfers:** Conveniently send and receive funds quickly.

Contact our International Coordinator Jenny Liu at 217.365.4142 or internationalcoordinator@busey.com.
