This Agreement is entered into between Busey Bank (referred to as "Busey", "we", "us", and/or "our") and any customer of Busey (referred to as "you" or "your") who subscribes to Busey's online banking service.

You seek to obtain certain banking services described herein by means of electronic Internet access through our online banking system. We are willing to provide access to the services described in this Agreement ("Services" or "Online Banking Services") on the terms and conditions set forth herein, which are accepted by you upon use of any Online Banking Service. Any account you link to an Online Banking Service remains subject to the applicable account agreement. For our consumer customers, the Electronic Funds Transfer (EFT) Customer Agreement and Disclosure, included with Busey's Personal Account Disclosure, applies to your use of Electronic Funds Transfer Services. If you have any questions regarding privacy, please read our privacy policy: <https://www.busey.com/privacy-and-security>.

You will be required to assure any computer and browser software or Mobile Device used for accessing online banking and/or the Mobile Services meets the minimum requirements. When you elect to use the Touch ID technology to access the Mobile App, you must contact us immediately to report any lost or stolen Mobile Device. In addition to contacting us, it is recommended to log into iCloud (<https://www.icloud.com/>) and remotely wipe the Mobile Device. You will be liable for any transactions performed until we are notified of the loss/theft.

### 4. Our Liability for Failure to Make Transfers and Disclaimer of Warranty

We will use our best efforts at all times to cause prompt and efficient service to be provided; however, we make no warranties or representations regarding the Services and shall not incur liability to you or any other person for damages, losses, claims, liabilities or expenses, except those resulting from our own willful misconduct or gross negligence. We specifically will NOT be liable:

- If, through no fault of ours, you do not have enough collected funds in the designated account to make the transfer.

- If circumstances beyond our control (such as fire, natural disaster, or technical malfunction) prevent the transfer, bill payment or other transaction, despite reasonable precautions that we have taken.
- If the hardware and/or software was not working properly, and you knew about the malfunction when you started the transfer.

- For any lost profits or consequential, special, or punitive damages arising out of, resulting from, or in any connection with, the performance or breach of this Agreement.

## **5. License Grant and Restrictions**

You are hereby granted a personal, limited, non-exclusive, non-transferable license to electronically access and use the Online Banking Services and Mobile Services solely to your benefit. In addition, the Online Banking Services include any other programs, tools, Internet-based services, components and any "updates" (for example, maintenance, help content, bug fixes, or maintenance releases, etc.) of the Online Banking Services if and when they are made available to you by us or by third-party vendors. Certain Online Banking Services may be accompanied by, and will be subject to, additional terms and conditions. You are not licensed or permitted to do any of the following and you may not allow any third party to do any of the following: (i) access or attempt to access any other systems, programs or data that are not made available for public use; (ii) copy, reproduce, republish, upload, post, transmit, resell, or distribute in any way the material from the Online Banking Services; (iii) permit any third party to benefit from the use or functionality of the Online Banking Services, or any other services or features provided in connection with them, via a rental, lease, timesharing, service bureau, or other arrangement; (iv) transfer any of the rights granted to you under this license; (v) work around any technical limitations in the Online Banking Services, use any tool to enable features or functionalities that are otherwise disabled in the Online Banking Services, or decompile, disassemble or otherwise reverse engineer the Online Banking Services except as otherwise permitted by applicable law; (vi) perform or attempt to perform any actions that would interfere with the proper working of the Online Banking Services, prevent access to or the use of Online Banking Services by other licensees or customers, or impose an unreasonable or disproportionately large load on the infrastructure while using the Online Banking Services; or (vii) otherwise use the Online Banking Services except as expressly allowed hereunder.

## **SECURITY AND CONFIDENTIALITY**

### **6. Security Access Code**

You will be required to establish passwords or codes for use of the Services (collectively the "Access Code") and shall be responsible for maintaining the security for access to your accounts. You acknowledge that any third party who obtains a copy of your Access Code may be able to access your accounts and the Services you may otherwise utilize pursuant to this Agreement, and it is therefore critical for you to keep your Access Code secure and confidential at all times. You agree to take all necessary steps to ensure your Access Code is maintained securely and confidentially and is provided only to those individuals whom you have authorized to have access to your accounts and the Services hereunder. You acknowledge we will have no means of determining whether any individual accessing your accounts and the Services hereunder is doing so without your authority, and we will rely on the fact that access obtained with your Access Code is obtained with your authority unless you otherwise notify us in advance. You acknowledge that you will be liable for any unauthorized use of the Access Code, subject to the limitations of the Electronic Funds Transfer Act.

As an additional security measure, the Access Code will become dormant after 180 days of inactivity. Inactivity is described as not logging on to the system. You must log on at least once every 180 days to keep your Access Code active. To resume using online banking once the code is dormant, you will have to re-establish your Access Code by calling Busey Customer Care at 1-800-672-8739. We encourage you to routinely scan your computer, diskettes, flash drives, and software using a reliable virus product to detect and remove any viruses found. Undetected or unrepaired viruses may alter, corrupt, damage, or destroy your programs, files, and even your computer. Some viruses can steal your personal information including Access Code which would allow them access to your password protected systems including Busey online banking.

### **7. Biometric Login for Mobile Access Through Android and iOS Devices**

We provide an alternate method of identification using built-in, biometric fingerprint-sensory technology and facial recognition for our customers who have Mobile Devices that enable this technology. Mobile banking apps cannot discern between the biometric login of individuals that are enrolled in the Mobile Device. We are only informed whether or not the biometric login was valid, which means that it was successfully added to the Mobile Device's biometric repository

and whether that biometric ID belongs to the owner of a certain username. You are informed of this limitation directly within the Mobile App. The security model is based on the assumption that the Mobile Device's owner trusts all individuals who access their Mobile Device and use a biometric login. If you have multiple unique logins with us, a biometric login can only be used with a single login per Mobile Device. End users who login using a biometric login will have the same level of access to the App as if they had entered a valid username and password. If you give someone biometric access to the Mobile Device, you are authorizing that person to use your Mobile App, and you are responsible for all transactions that person performs while using the App. All transactions that person performs, even those transactions you did not intend or want performed, are authorized transactions.

#### **8. Short Message Service "SMS" Texting**

We may send SMS messages to you based upon the instructions you provide at the time you request the SMS Service. For instance, you may set an alert for a low balance threshold. Each SMS message is sent to you without being encrypted and will include certain information requested on the applicable account(s). It is your responsibility to determine if your wireless carrier supports text messaging and whether the Mobile Device is capable of receiving text messages. Our SMS messages are subject to the terms and conditions of your agreement with the wireless carrier and use of the SMS Service may result in additional or changed fees.

You must provide a valid mobile number for this Service so that we may send information about your applicable account. Once you activate the SMS Service through online banking, you are responsible for keeping any personal information in the Mobile Device secure. For your protection, you agree to:

- Login to online banking and cancel the SMS Alert Service if your Mobile Device is lost or stolen and contact us immediately;
- Login to online banking and cancel or edit the SMS Alert Service if there are changes to your wireless carrier or Mobile Device number (cell phone number); and
- Erase "Sent Messages" and "Inbox" that may contain your SMS Short Code or other personal information.

You acknowledge, agree and understand that receipt of SMS messages may be delayed or prevented by factor(s) affecting the wireless carrier and/or other factors outside our control. We neither guarantee the delivery nor the accuracy of the contents of any message(s).

Nothing about SMS Messaging creates new or different liability for us beyond what is already applicable under this Agreement. We are not liable for any losses, damages or costs that may arise in whole or in part, from: non-delivery, delayed delivery, or the misdirected delivery of any message; inaccurate or incomplete content in any message; or your reliance on or use of the information provided in any SMS Service message for any purpose.

We provide this Service as a convenience. An SMS message does not constitute an official record for the account to which it pertains. We reserve the right to terminate this function or begin charging a fee for this function at any time without prior notice, except where required by law.

You may cancel the SMS Service at any time. Just text "STOP" to the SMS Short Code, after which we will send you an SMS message to confirm cancellation. After this, you will no longer receive SMS messages from us. To rejoin, just sign up again.

If you are experiencing issues with SMS messaging, reply with the keyword HELP for assistance, or get help directly at [customersupport@busey.com](mailto:customersupport@busey.com); 800-672-8739.

As always, message and data rates may apply for any messages we send you and to us from you. If you have any questions about your text plan or data plan, it is best to contact the wireless carrier.

#### **9. Your Liability**

You are responsible for all transactions initiated by use of your Access Code, whether you have authorized such use for the specific transaction subject to the limitations of the Electronic Funds Transfer Act. All risk with regard to proper operation of your computer and browser

software, the security of your information (other than the information within our computer system), the presence or effect of any software viruses or other defects, and the risk of all misdirected communication shall be borne solely by Customer. We shall have no liability with regard to any of the foregoing, directly or indirectly.

#### **10. Customer Information and Account Data**

You are responsible for (i) maintaining the confidentiality and security of your Access Code, passwords, security questions, and answers, account numbers, login information and any other security or access information, you use to access the Online Banking Services and your accounts with Busey (collectively, "Licensee Access Information"), and (ii) preventing unauthorized access to or use of the information, files or data that you store or use in or with the Online Banking Services (collectively, "Account Data"). You are responsible for providing access and assigning passwords to other users, if any, under your account for the Online Banking Services, and ensuring that such authorized users comply with this Agreement. You will be responsible for all electronic communications, including account registration and other account holder information, email, and financial, accounting, and other data ("Communications") entered using the Licensee Access Information. It is assumed that any Communications received using the Licensee Access Information were sent or authorized by you. You agree to immediately notify us if you become aware of any loss, theft, or unauthorized use of any Licensee Access Information. We reserve the right to deny you access to the Online Banking Services if we reasonably believe that any loss, theft, or unauthorized use of the Licensee Access Information has occurred. You must inform us of, and hereby grant us and our third-party vendors' permission to use, Licensee Access Information to enable us to provide the Online Banking Services, including updating and maintaining Account Data, addressing errors or Service interruptions, and to enhance the types of data and Services we may provide to you in the future.

We will disclose information to third parties about your account or online transactions:

- When it is necessary to complete transfers or bill payment or to investigate or resolve a problem related to a transfer or bill payment,
- To verify the existence and condition of the account for a third party, such as a merchant or credit bureau,
- To comply with a government agency or court orders or at the request of a Busey regulator,
- If you give us permission.

We may use anonymous, aggregate information, which we collect and store, or which is collected and stored on our behalf by third-party vendors, to conduct certain analytical research and help us to create new offerings and services for you. As we make additional offerings and online banking services available, some of which may rely on banking information maintained in your accounts, you will have the opportunity to participate in the Services if you choose. If you choose not to participate, you do not need to notify us. We may also use anonymous, aggregate information which we collect and store, or which is collected and stored on our behalf by third-party vendors, to (i) conduct database marketing and marketing program execution activities; (ii) publish summary or aggregate results relating to metrics comprised of research data from time to time; and (iii) distribute or license such aggregated research data to third parties. Additionally, automated technology may be used to tailor messages or advertisements that best reflect your interest and needs.

### **TRANSACTIONS AND ACCESS**

#### **11. Transaction Posting**

You acknowledge that we will process transactions only on Business Days. On Business Days, we will accept transfer transactions until 6:00 PM CT. Any transactions submitted after 6:00 PM CT will be posted to the next Business Day's activities.

#### **12. Recording and Information Downloading**

You acknowledge that we may record electronic access to accounts by means of the Services and may also record telephone communications with our representatives, and you hereby consent to recording of all such information. You further agree that we may download information into your computer for purposes of efficient operation of our website, and you

authorize this activity.

### **13. Transaction Authorization**

You acknowledge that by utilizing the Services available under this Agreement you will be entitled to authorize various transactions electronically that otherwise would require written authorization. You agree that we are authorized to complete each transaction initiated electronically by means of the Internet, including but not limited to transfer of funds, extension of credit under notes and issuance of checks or electronic payment.

### **14. No Signature Required**

When using Busey online banking to pay bills, you agree that we, without prior notice to you, may debit any payment account(s) to pay checks that you have not signed by hand or by a legally acceptable form of electronic signature (e.g., digital signature). When using Busey online banking to make transfers from credit accounts, you agree that we, without prior notice to you, may take any action required to obtain cash advances on your behalf, including charging your linked credit account at Busey without your handwritten or legally acceptable electronic signature.

### **15. Third-Party Services and Websites**

In connection with your use of Online Banking Services, you may be made aware of Services, products, offers, and promotions provided by third parties ("Third-Party Services"). If you decide to use Third-Party Services, you are responsible for reviewing and understanding the terms and conditions governing such Third-Party Services. You agree that the third party is responsible for the performance of its Third-Party Services.

The Online Banking Services may contain or reference links to websites operated by third parties ("Third-Party Websites"). These links are provided as a convenience only. Such Third-Party Websites are not under our control. We are not responsible for the content of any Third-Party Website or any link contained in a Third-Party Website. We do not review, approve, monitor, endorse, warrant, or make any representations with respect to Third-Party Websites and the inclusion of any link in the Online Banking Services provided in connection with them is not and does not imply an affiliation, sponsorship, endorsement, approval, investigation, verification, or monitoring by us of any information contained in a Third-Party Website.

In no event will we be responsible for the information contained in any Third-Party Website or for your use of or inability to use such website. Access to any Third-Party Website is at your own risk, and you acknowledge and understand that linked Third-Party Websites may contain terms and privacy policies that are different from ours. We are not responsible for such provisions, and expressly disclaims any liability for them.

## **ONLINE BANKING SERVICES**

### **16. Bill Pay**

#### **A. Definitions**

For the purposes of this Section, the following definitions apply:

"Bill Pay Request" means a payment request in a form designated by us, whether on paper or electronically, for us to make a payment on your behalf to a third party.

"Payment Date" means the date on which you have requested that we make a scheduled payment. It is your responsibility to schedule this date sufficiently in advance of the date the payment is due to be received by the payee to assure timely payment.

"Primary Account" means the personal account at Busey owned solely by you that is used for the Online Banking Services.

#### **B. General**

We offer Bill Pay Services by means of electronic transfers and/or checks. These Services include both single payment and recurring payment types of Bill Pay Services. Single payment Services are one-time transactions in which a single electronic transfer or check is issued upon advance request. Recurring payment services are for transfers or checks arranged in advance to be paid on two or more future dates. You acknowledge that we utilize a third-party provider for Bill Pay Services.

Enrollment in this Service is optional.

### **C. Processing Requirements**

The following requirements apply to any Bill Pay request:

- i. To subscribe to Bill Pay, you must have at least one Primary Account with us. An account that requires two or more signatures to make withdrawals may not be designated as a Primary Account.
- ii. You must make each Bill Pay Request for an amount not to exceed \$30,000.00 with an accumulative daily total not to exceed \$60,000.00.
- iii. You must provide complete information about the party to whom the payment is to be made (the "Payee") to allow us to properly direct a payment to the Payee. You must also properly identify yourself and the account from which such payment is to be made. You will schedule all Bill Pay Requests by providing the information required online.  
Using Bill Pay, you can only pay Payees with United States addresses. While most payments can be made using Bill Pay, we reserve the right to refuse to pay certain Payees. We also reserve the right to terminate your use of the Bill Pay Service. Bill Pay can be cancelled by contacting any of our locations or Busey Customer Care.
- iv. You must set each Payment Date at least five (5) Business Days in advance of the date on which your payment is due, without regard to whether the payment is made electronically or by check. Bill Pay Requests may be specified for any Business Day. Any Bill Pay Request specifying a Payment Date which falls on a day other than a Business Day will be scheduled by us to be made according to your choice of the following/prior Business Day.
- v. You must have sufficient funds in the Primary Account for the requested bill payment at the time of withdrawal. Withdrawal of the amount specified in each electronic Bill Pay Request will be made the day the payment is to be processed if scheduled by 2:00 p.m. Payments scheduled after 2:00 p.m. will be processed and the funds withdrawn the next Business Day. Payments that are unable to be sent electronically will be sent by a customer draft (check) drawn off your account with payment deducted when the check is presented to the customer's account.

You may not make payments to federal, state, or local tax agencies or payments of alimony, child support or other governmental fees or court-ordered payments using Bill Pay.

### **D. Your Bill Pay Liability**

You are responsible for prompt and timely payment of your bills. You agree that the methods of forwarding payments by either mail or electronic transfer are reasonable. You acknowledge that we will not be liable for any late payment charges or other charges on your account due to any delayed or lost payments and shall not be liable for any losses due to causes beyond our control. You must not permit any other party to use your account, to have access to your funds, or to make Bill Pay Requests. You are responsible for all Bill Payments authorized or made from your account, including inadvertent, unintentional, or mistaken payments. You are also responsible for any costs to us related to the use of, or access to, your accounts by a third party.

You are responsible for all fees and expenses related to a Bill Pay Request resulting from the fact that you have insufficient funds in your account. We may refuse to make any requested payment in the event there are insufficient funds in the designated account, or we may, in our discretion, attempt to make electronic payments three additional times following the Payment Date. If we have not already done so, we will then cancel the scheduled electronic payment if insufficient funds are available in your account at the time of the third attempt to make the requested payment. We may charge an NSF fee any time a Bill Pay Request is made, and sufficient funds are not available in your account at the time withdrawal of funds for the scheduled payment is

to be made.

**E. Modifications and Stop Payment Requests**

You may modify or stop any Bill Pay Request online prior to the date it is sent ("Processing Date"). You acknowledge that on the Processing Date, an electronic Bill Pay Request cannot be modified or in most situations stopped after 2:00 p.m. CT. If the Bill Pay Request has been fulfilled by check, you may request that the bill payment be stopped by contacting Busey Customer Care. In the event a stop payment can be placed, our standard Stop Payment Fee will apply. Refer to the bank's Services and Fees section of the Personal Account Disclosure for fees associated with stop payment requests.

**F. Your Indemnity**

You hereby agree to indemnify and hold us harmless from any cost, liability or expense, including reasonable attorney's fees, arising out of any claim against us by a third party for any reason arising with respect to our actions related to this Agreement or those of any third party providing the Bill Pay Services, except and only to the extent such claim is the result of our failure to exercise ordinary care or act in good faith.

**17. Documents and Notices**

This service provides you with an alternative to receiving statements and notices through the mail. Your consent is required to begin sending statements electronically. You will need to read and accept the Documents Agreement. By agreeing to receive statements, notices, and other documents electronically, we will no longer send these items through the U.S. mail.

Your consent will authorize us to provide a periodic statement in electronic form along with any other disclosures that we might send with a statement, such as required disclosures relating to your accounts. When it is applicable, accounts will be combined on a single statement.

The same terms apply with respect to electronically delivered statements as for those delivered in paper form and remain subject to the deposit agreements and disclosures previously received from us in effect. We may change, suspend or eliminate any or all aspects of this delivery service upon notice to you.

**18. External Transfer**

**A. General External Transfer**

We offer External Transfer Services, including both one-time transfers and recurring transfers. A one-time external transfer transaction is an electronic transfer request that is a single transaction without instructions to repeat at a future date. Recurring transfers are for transfers arranged in advance to be paid on two or more future dates. The External Transfer Service allows for both inbound and outbound transfers.

Inbound transfers are initiated through this Service and deposited to an account held at Busey from an account at another institution.

Outbound transfers are initiated through this Service to send funds from an account held at Busey to an account at another institution. You must be the owner of the account at Busey and the account at the other institution. You hereby acknowledge and accept that we utilize a third-party provider for external transfer Services.

Enrollment in this Service is optional.

**B. Processing Requirements**

To subscribe to External Transfer, you must have at least one checking, savings, money market, or loan account with Busey. An account that requires two or more signatures to make withdrawals may not be designated for use with this Service.

You must make each External Transfer request for an amount not to exceed \$2,000.00 with a daily limit not to exceed \$2,000.00.

You are required to complete the verification process for each account held outside of Busey that will be utilized with the External Transfer feature to allow us to transfer funds to or from the account held at Busey.

**C. External Transfer Options**

For standard External Transfer both Inbound and Outbound, we require a minimum of three (3) Business Days to complete transfer requests using External Transfer. We also reserve the right to terminate the use of the External Transfer Service.

Customers who do not log in to online banking within a 180-day period are put in an inactive status. You will need to contact Busey Customer Care to reactive the Service.

You must have sufficient funds in the designated account for the requested External Transfer at the time of withdrawal. If sufficient funds are not available to complete the External Transfer, the transfer request will not be fulfilled, and the External Transfer feature may be suspended or terminated.

**D. External Transfer to Another Individual (P2P Payments)**

We offer the ability to electronically transfer money to individuals using the recipient's email address or by text to a mobile phone number. This Service provides one-time transactions in which a single electronic transfer is issued upon advance request.

You acknowledge that we utilize a third-party provider for P2P Payment Service. Any Customer who registers for Bill Pay will have access to the P2P Payment Service. This does not include P2P payments utilizing Zelle.

You must make each request for an amount not to exceed \$5,000.00 per transaction with a maximum of \$5,000.00 limit per day.

The Recipient must complete the process to obtain the money within ten (10) days or the funds will be returned to you.

You must have sufficient funds in the designated account for the requested P2P Transfer at the time of withdrawal. If sufficient funds are not available to complete the P2P Transfer, the transfer request will not be fulfilled.

**E. Your Liability for External Transfer**

You agree that the methods of electronic external transfer are reasonable. You acknowledge that we will not be liable for any late payment charges or other charges to your account due to any delayed or lost transfers, and we shall not be liable for any losses due to causes beyond our control. You must not permit any other party to use your account, to have access to your funds, or to make External Transfers or P2P Payment requests. You are responsible for all transfers initiated through the External Transfer Service and authorized or made from your account, including inadvertent, unintentional, or mistaken transfers. You are also responsible for any costs we incur related to the use of, or access to, your accounts by a third party.

You are responsible for all fees and expenses related to our External Transfer Services resulting from insufficient funds in your account. We may refuse to make any requested transfer in the event there are insufficient funds in the designated account, or we may, in our discretion, attempt to make the transfer three additional times following the Payment Date. If it has not already done so, we will then cancel the transfer if sufficient funds are not available in your account at the time of the third attempt to make the requested payment. We may charge an NSF fee any time an External Transfer request is made, and sufficient funds are not available in your account at the time withdrawal of funds for the transfer is to be made. If we return the requested transfer as insufficient funds, your External Transfer access will be suspended, and no pending or future dated transfers will be processed.

**19. Mobile Remote Deposit Service**

After you login to Mobile Banking, you may apply for Mobile Remote Deposit. With this Service, you may deposit funds in your linked account by capturing checks through a mobile App and sending images of the front and back of those checks ("Check Images") to us in accordance with this Section (funds deposited in your linked account through the transmission of Check Images are "Electronic Check Deposits"). We may impose limits from time to time on the

amount or number of Electronic Check Deposits you are permitted to make. We may suspend, revoke, or terminate your ability to use this Service without prior notice for reasons including, but not limited to, suspected fraud; or checks returned as non-negotiable. You may not initiate Electronic Check Deposits from a location outside the United States. You may not deposit funds through the Service that would cause your linked account balance to exceed the maximum balance allowed on your linked account. In addition, if we have notified you that you are terminated or suspended from using the Service, you may not submit a Check Image for depositing to your linked account.

#### **A. Checks Eligible for Mobile Deposit**

To be eligible to be transmitted to us through the Service, a check must meet all the following requirements:

- The paper check must not have been previously deposited with any financial institution, or deposited to the linked account or any other prepaid linked account or used as a source document for any electronic image that has been transmitted to any financial institution; and
- The paper check cannot be future or postdated.

Examples of items that are not eligible for the Service include: third-party checks, incomplete items, non-negotiable items, returned checks, altered checks, foreign checks, savings bonds, stale-dated checks, travelers checks, checks payable in a currency other than U.S. currency, promissory notes, warrants, gift certificates, customer appreciation certificates, counter checks, starter checks, conditional endorsement offers ("by endorsing this check, you agree to purchase a product and/or Service"), fraudulent checks or checks you should have known are fraudulent, checks we believe may not be paid by the paying bank or any other type of item that we determine from time to time to refuse to accept through the Service.

#### **B. Requirements**

Each Check Image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

Endorsements must be made on the back of the check within 1 1/2 inches from the top edge, although we may accept endorsements outside this space. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility. A check payable to two payees must be endorsed by both payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.

In addition, you agree that you will not modify, change, alter, translate, create derivative works from, reverse engineer, disassemble or decompile the technology or Service, copy or reproduce all or any part of the technology or Service; or interfere, or attempt to interfere, with the technology or Service. We and our technology partners, inclusive of, but not limited to, Jack Henry & Associates, retain all rights, title, and interests in and to

the Services, Software and Development made available to you.

**C. Receipt of Deposit**

All Check Images processed for deposit through Mobile Remote Deposit will be treated as "deposits" under your current account agreement with us and will be subject to all terms of the account agreement. When we receive a Check Image, we will confirm receipt via notice within the Mobile App. We will not be deemed to have received the image for deposit until we have confirmed receipt to you.

Confirmation does not mean that the Check Image contains no errors. We are not responsible for any Check Image that we do not receive. Following receipt, we may process the image by preparing a "substitute check" or clearing the item as an image.

- D.** All Electronic Check Deposits are subject to our verification and final inspection and may be rejected by us for any reason.

**E. Your Representations and Warranties**

Each time you transmit a Check Image to us for Electronic Check Deposit, you are deemed to have made the same representations or warranties to us that would have applied if you had negotiated the original paper check to us, and all representations or warranties that we must make under applicable law, clearinghouse rule, regulation, operating circular, agreement or otherwise to any person when we transfer, present or originate a transaction from the Check Image or a substitute check created from the Check Image. In addition, you make the following specific representations and warranties:

- i. The Check Image is a complete and accurate representation of the front and back of a check that is eligible for Electronic Check Deposit under these Services Agreement.
- ii. The original check used to create the Check Image has not been previously transmitted to us as an Electronic Check Deposit or deposited with any other financial institution or loaded to any other prepaid linked account, duplicated or used to create another image or electronic fund transfer.
- iii. The Check Image satisfies our image quality standards, as we may establish them from time to time.
- iv. All information you have provided to us is accurate and complete.
- v. No subsequent transferees of the Check Image or any substitute check (including without limitation, a collecting or returning bank, drawer, drawee, payee or endorser) shall sustain a loss as the result of the fact that the Check Image or substitute check was presented for payment or returned instead of the original paper check.
- vi. You are a person entitled to enforce the check, all signatures on the check are authentic and authorized, the check has not been altered or forged, the check is not subject to a defense or claim in recoupment of any party that can be asserted against you, and you have no knowledge of any insolvency proceeding against the drawer.
- vii. You are acting in compliance with this Section and all applicable laws and regulations.

**F. Retention of Original Check**

When the Check Image you have submitted to us for electronic deposit has been credited to your linked account, you must mark the original check with the word "VOID" in ink which cannot be erased, and you must retain the physical check securely for a period of sixty (60) days. You must store the check securely, using precautions at least as secure as you would use to protect blank checks. You must make the original paper check available to us at our request at any time. If you fail to produce the original check within ten (10) days of our request during the sixty (60)-day period, you authorize us to deduct the amount in question from your linked account, regardless of whether such deduction may result in a negative balance on your linked account, and to pay any associated fees. At the expiration of the sixty (60)-day period, you must securely destroy the original paper check by cross-shredding or another commercially reasonable means of destruction.

**G. Returned Checks**

You agree that we may debit your linked account for any Check Image that is returned to us unpaid.

**H. Your Indemnification**

With respect to the use of Electronic Check Deposits and each Check Image you transmit to us, in addition to any other indemnification obligations that you may have pursuant to other agreements with us, you will indemnify and hold us harmless, our licensors and providers of the Service, and their respective directors, officers, shareholders, employees and agents, against any and all third party suits, proceedings, claims, demands, causes of action, damages, expenses (including reasonable attorneys' fees and other legal expenses), liabilities and other losses that result from or arise out of: (i) your wrongful acts or omissions, or any person acting on your behalf (including without limitation your authorized processor, if any), in connection with your use of the Service or processing of items under this Section, including without limitation (a) your breach of any provision, representation or warranty of this Section, (b) the negligence or willful misconduct (whether by act or omission) by you or any third party on your behalf, (c) any misuse of the Service by you, or any third party within the control or on your behalf, (d) your failure to comply with applicable state and federal laws and regulations, or (e) any fine, penalty or sanction imposed on us by, any clearing house, or any governmental entity, arising out of or connected with any item processed by us at your instruction; (ii) any act or omission by us that is in accordance with this Section or instructions you; (iii) actions by third parties, such as the introduction of a virus that delay, alter or corrupt the transmission of an Check Image to us; (iv) any loss or corruption of data in transit from you to us; (v) any claim by any recipient of a substitute check corresponding to a Check submitted by you under this Section, that such recipient incurred loss due to the receipt of the substitute check instead of the original Check; or (vi) any claims, loss or damage resulting from your breach of, or failure to perform in accordance with, the terms of this Service.

You understand and agree that you are required to indemnify our technology partners, including but not limited to, Jack Henry & Associates, and hold harmless Jack Henry & Associates, its affiliates, officers, employees and agents, from and against any third party claims, suits, proceedings, actions or demands, including to claims of another financial institution, business entity or governmental authority, and all losses, liabilities, damages, fines, penalties, costs and expenses, including court costs and reasonable attorney fees and expenses, arising from such claims, to the extent such claim is related to FI or End User's use of the Services unless such claim directly results from an action or omission made by Jack Henry & Associates in bad faith. You understand and agree that this paragraph shall survive the termination of this Agreement.

**DISCLAIMERS AND LIMIT OF LIABILITY**

**DISCLAIMER OF WARRANTIES.** YOU AGREE THAT YOUR USE OF ANY ONLINE OR MOBILE BANKING SERVICE AND ALL INFORMATION AND CONTENT (INCLUDING THAT OF THIRD PARTIES) IS AT YOUR RISK AND IS PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. WE DISCLAIM ALL WARRANTIES OF ANY KIND AS TO THE USE OF ANY ONLINE OR MOBILE BANKING SERVICE, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT. WE MAKE NO WARRANTY THAT ANY ONLINE OR MOBILE BANKING SERVICE WILL MEET YOUR REQUIREMENTS OR WILL BE UNINTERRUPTED, TIMELY, SECURE, OR ERROR-FREE. WE MAKE NO WARRANTY THAT THE RESULTS THAT MAY BE OBTAINED WILL BE ACCURATE OR RELIABLE OR THAT ANY ERRORS IN ANY ONLINE BANKING SERVICE OR TECHNOLOGY WILL BE CORRECTED.

**LIMITATION OF LIABILITY.** YOU AGREE THAT WE WILL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF PROFITS, GOODWILL, USE, DATA OR OTHER LOSSES INCURRED BY YOU OR ANY THIRD PARTY ARISING FROM OR RELATED TO THE USE OF, INABILITY TO USE, OR THE TERMINATION OF THE USE OF ANY ONLINE OR MOBILE BANKING SERVICE, REGARDLESS OF THE FORM OF ACTION OR CLAIM (WHETHER CONTRACT, TORT, STRICT LIABILITY OR OTHERWISE), EVEN IF WE HAVE BEEN INFORMED OF THE POSSIBILITY THEREOF, EXCEPT AS OTHERWISE

REQUIRED BY LAW.

### 23. Change in Terms

We may change any term of this Agreement at any time. Your continued use of any part of or the entire Online Banking System indicates acceptance of the change in terms. We reserve the right to waive, reduce, or reverse charges or fees in individual situations.

Funds for bill payments made by check on your behalf will be debited from your specified account when the check is negotiated. All online banking payments require sufficient time for the receiver to process the payment and credit your account. We recommend that you contact your individual payee(s) for restrictions that may apply. We are

not liable for any service fees or late fees levied against you by payees you select to receive payments through the Bill Pay Service. There is a limit of \$30,000.00 for a single bill payment and a daily limit of \$60,000.00 for all bill payments.

We will not be liable to you for any damages (including, but not limited to, actual, direct, indirect, special or consequential damages) to the extent that your failure or delay in notifying us that a bill payment was not made prevents us from avoiding or alleviating such damages.

You are responsible for any monetary loss or penalty that you may incur due to the lack of sufficient funds or other conditions that may prevent the withdrawal of funds from your account to pay a bill payment that you have requested.

You agree to notify us in writing if you decide to discontinue the Bill Pay Service.

## ADDITIONAL EFT SERVICES

### CARD SERVICES

Card Services are those Services that allow you to access your accounts using a card at an Electronic Funds Transfer Terminal, including a POS terminal and ATM ("Terminals"). You may use your Busey Mastercard® Debit Card ("Card") to do the following:

- Make withdrawals from specified checking and savings accounts
- Make deposits to specified checking and savings accounts at specified Terminals
- Make transfers of funds between specified checking and savings accounts
- Obtain balance information from your designated accounts
- Pay for purchases from merchants that have agreed to accept the Card at a POS terminal
- Obtain a checking account cash advance at any financial institution that honors Mastercard®.

Some of these Services may not be available at all Terminals or merchants or with all Cards. Other banking services may be made available through use of the Card in the future. Your Card may not be used for illegal transactions.

For POS transactions, we have the right to place a temporary hold on your account in an amount equal to the authorization amount received through the Mastercard® system. In certain circumstances, Mastercard® permits the authorization amount to be estimated and the amount may exceed or be less than the final amount of the transaction.

We have the right to refuse a transaction on your account when your Card has been reported lost or stolen or when we reasonably believe there is unusual activity on your account.

You understand and agree that payments may not be stopped on ATM or everyday Debit Card transactions.

**Request for Card and Personal Identification Number (PIN):** You hereby request and apply to us to activate and issue a Card together with a PIN to be used by you to make transactions at Terminals or merchants that have agreed to accept the Card at a point of sale.

**Limitations of Amount and Frequency of Transactions:** As a security measure, when using your Card at an ATM or a merchant, we will limit the amount that may be withdrawn from your account over certain periods of time. Debit Card and ATM transactions are authorized from the available balance in your checking account plus any available overdraft protection limits, if applicable. Purchases requiring either your signature or a PIN and cash authorizations are limited to a total of \$2,000.00 each 24-hour period. You may make ATM withdrawals in an amount of up to \$500.00 per 24-hour period. For security reasons, there may be times when we further limit the amount and frequency of your Card transactions. The privilege of using the Card in no way constitutes an absolute right to withdraw all funds from your account through the use of the Card.

**Fees and Charges:** There is no charge for ATM withdrawals at machines owned by us. Refer to the bank's Services and Fees section of the Personal Account Disclosure for any applicable charges for each transaction at ATMs not owned by us. When you use an ATM not owned by us, you may also be charged a fee by the ATM operator or any network used, and you may be charged a

fee for a balance inquiry even if you do not complete a fund transfer.

We reserve the right, upon twenty-one (21) days' written notice, to change any fee pertaining to EFT Services.

**Payment:** Each time you use your Card, the amount of the transaction will be debited from your account. We have the right to return any check or other item drawn against your account to ensure there are funds available to pay for Card transactions. We may, but do not have to, allow transactions that exceed your available account balance or available line of credit. If we authorize a transaction that overdraws your account, you will not assess an overdraft fee for that item. If you use your Card to access an account that is no longer available to complete a transaction, we may, at our sole discretion, charge or credit the transaction to another account.

**International Transactions for Mastercard® Debit Card:** International transactions made with your Mastercard® Debit Card may be processed by either the Mastercard® or Cirrus® network. Each time you use the Card to purchase goods or Services or to obtain cash from your account, you authorize us to debit or credit your account in the same way other transactions for your account are handled. If you have transactions using the Card in a currency other than U.S. Dollars, they will be posted to your account and converted to U.S. Dollars at a rate selected by Mastercard® or Cirrus® from the range of rates available in wholesale currency markets for the applicable central processing date. The rate may vary from the rate Mastercard® or Cirrus® itself receives or the government-mandated rate in effect for the applicable central processing date.

Refer to the bank's Services and Fees section of the Personal Account Disclosure for fees associated with International Busey Mastercard® Debit Card transactions.

**Documentation:** You can get a receipt at the time you make any transfer greater than \$15.00 to or from your account at Terminals.

**Card Ownership and Cancellation:** You acknowledge that the Card has been issued by us and remains our property and may be revoked or cancelled at any time without prior notice to you. You agree to surrender immediately the Card to us upon demand. You may elect to cancel at any time by surrendering and returning the Card. Cancellation by you shall not become effective until the Card is actually received by us. We may close your Card if it is not activated within ninety (90) days of issue or if not used at least once during any consecutive twelve (12) months period.

#### **BANK BY PHONE**

Telephone Transfer Services are those Services that allow you to transfer funds between your accounts by use of a telephone. This includes use of our Anytime Line (automated 24-hour telephone access) and your transfer requests made by telephone to one of our associates. You may access your deposit accounts by using a PIN assigned to you and your account number when calling our Anytime Line. At the present time, you may use the system to:

- Make transfers of funds between specified checking and savings accounts and
- Make loan payments between specified loan, checking and savings accounts.

**Request for Personal Identification Number:** You hereby request and apply to us to activate a PIN to be used by you to make transfers by use of a telephone between accounts now or later designated by you and us through our Anytime Line.

#### **PREAUTHORIZED TRANSFERS**

A Preauthorized EFT is any transfer of money performed by means of a computer or other electronic means that you authorize a third party in advance to make through us at substantially regular intervals. By proper written authorization, you may perform the following types of preauthorized EFTs with respect to checking or saving accounts now or later designated by you and us through our Funds Transfer System:

- Direct deposit of amounts from your employer, U.S. Treasury Department, or other financial institutions to your specified checking or savings account.
- Make loan payments by having amounts sent directly to us for application to specified loans with us.
- Make transfers (such as bill payments) from your accounts with us to persons authorized to receive them.
- Make other EFT transfers that are acceptable to us.

**Right to Stop Payment and Procedure for Doing So:** If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how: Call us at 1-800-67- BUSEY (672-8739) or write to us at Busey Bank, Attention: Customer Care Center, P.O. Box 4028, Champaign, IL 61824, in time for us to receive your request three (3) Business Days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. Refer to the bank's Services and Fees section of the Personal Account Disclosure for fees associated with stop payment requests.

**Notice of Varying Amounts:** If these regular payments may vary in amount, the person you are going to pay will tell you ten (10) days before each payment when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.

**Liability for Failure to Stop Payment of Preauthorized Transfer:** If you order us to stop one of these payments three (3) Business Days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

#### **ELECTRONIC CHECK CONVERSIONS**

Your check can result in an electronic funds transfer. This can happen in several ways. For example, you may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to: pay for purchases and pay bills.

At the time you offer a check to the merchant or service provider, you may be asked to authorize the merchant or service provider to electronically collect a charge in the event the check is returned for insufficient funds.

## GENERAL PROVISIONS

**Authorization of Transactions:** Each (i) use of the Card and PIN (if applicable), (ii) use of a password for online banking or (iii) delivery of your written authorization shall be deemed your written signature authorization, and an order for us to make the transaction or transactions designated by you. You agree to be liable to us for all transactions done by, for, or on your behalf by use of any EFT Service.

**Security of Card, PIN and Passwords:** You understand and acknowledge that the security of any account accessible through use of the Card depends upon maintaining possession of such Card and the secrecy of the assigned PIN, and that the security of any account accessed through online banking depends upon maintaining the secrecy of the chosen Password. You agree not to disclose or otherwise make your Card, PIN, or Password available to anyone not authorized to sign on your accounts. You also agree not to write the PIN on the Card or on any item kept with the Card. If you authorize anyone to use your Card, PIN, or Password that authority shall continue until you specifically revoke such authority by notifying us. If you fail to maintain the security of your Card, PIN or Password, and we suffer a loss, we may terminate your EFT Services immediately. Unless you initiate the phone call, under no circumstances should a Bank employee request your PIN or Password through online banking, over the Internet or through other contact. Do not respond to any such request, even if the person claims to represent us.

**Overdrafts:** If an overdraft is inadvertently created in any account due to an EFT Service, you agree to repay the overdraft immediately, plus the usual overdraft item fees. Refer to the bank's Services and Fees disclosure for fees associated with overdrafts. If improper overdrafts become a frequent occurrence, we may cancel this Agreement and, if applicable, the Online Banking Services Agreement.

**Periodic Statements:** You will be provided a monthly account statement, unless there are no transfers in a particular month. In any case, the statement will be provided at least quarterly.

**Preauthorized Credits:** If you have arranged to have direct deposits made to your accounts at least once every sixty (60) days from the same person or company, you can call us at 1-800-67-BUSEY (672-8739) to find out whether or not the deposit has been made.

**Time of Transaction:** All transactions are subject to additional proof and verification, which may result in a delay of posting transactions to your account. Additional delay of payments, or the posting of transactions, may occur when the transactions are made on a Saturday, Sunday or Bank holiday, or on any other day after our Business Day cutoff time; usually such transactions will be effective on the next banking day.

Any demand item, for example, a check, that is included in a deposit or payment transaction shall not be considered to have been presented for payment until after the demand item has been processed, physically removed from the Terminal (if applicable) and an attempt to collect the items is made.

**Business Day:** Our Business Days for purposes of this Agreement, including processing of claims of errors or performing other internal functions, are Monday through Friday. Holidays are not included.

**Transactions Subject to Account Rules:** Each EFT shall be governed by this Agreement and subject to the rules, regulations and agreements existing from time to time between you and us with respect to each account to which the transaction relates. Such rules, regulations and agreements are incorporated herein by reference.

**Joint and Several Obligations:** You agree that the obligations assumed by you in the Agreement shall be the joint and several obligations of all account holders of any designated account.

**Service Availability:** Some of these Services will not be available with certain employers. Other banking Services may be made available through the use of Preauthorized Electronic Funds Transfers in the future.

**Modification or Termination of Agreement:** You agree that we may amend or modify the terms and conditions of this Agreement at any time, including partial or complete termination, upon prior written notice to you mailed to the address indicated in our account records. We agree to provide you at least twenty-one (21) days' written notice for any change which would result in increased liability for you, fewer types of available EFT Services or stricter limitations on the frequency or dollar amount of transfers. However, we may make an immediate change without notice if necessary to maintain or restore the security of our system or any account. If such a change is to be made permanent, written notice will be provided to you within thirty (30) days after the change has been made permanent unless disclosure would jeopardize the security of the system or account.

**Changes in Fees:** We reserve the right, upon twenty-one (21) days' written notice, to change any fee pertaining to EFT Services.

**Applicability of Federal and State Law:** Busey Bank is an Illinois State Banking Corporation with its main office located in Illinois. As a result, to the greatest extent allowed by law, the terms and conditions of your deposit accounts and the EFT Services will be governed by applicable federal laws and regulations and the laws of the State of Illinois, including (but not limited to) the Uniform Commercial Code of Illinois. To the extent not allowed by applicable federal and Illinois law, the laws of the state where your account is maintained will govern. These laws and regulations as applied to your deposit accounts are called "Applicable Law."

**Notices and Communication:** Except as otherwise noted in this Agreement, all notices required to be sent to you will be effective when we mail them to the last known address that we have for you in our records or when we make such notices available to you through online banking or at the last known email address that we have for you in our records. Notices from you will be effective when received by mail at the address specified in this Agreement.

## EFT RIGHTS AND RESPONSIBILITIES

**Your Liability for Unauthorized Electronic Transfers:** Tell us at once if you believe your Card, PIN, or Password has been lost or stolen or you believe that an electronic transfer has been made without your permission using information from your check.

Telephoning is the best way of minimizing possible losses. You could lose all the money in your account plus your maximum overdraft line of credit. If you tell us within two (2) Business Days after you learn of the loss or theft of your Card, PIN, or Password, you can lose no more than \$50.00 if someone used your Card, PIN, or Password without your permission. If you do NOT tell us within two (2) Business Days after you learn of the loss or theft of your Card, PIN, or Password, and we can prove we could have stopped someone from using your Card, PIN, or Password without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make, including those made by Card, PIN or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed or otherwise made available to you, you may not get back any money you lost after the sixty (60) days if we can prove we could have stopped someone from taking the money if you had told us in time. If a good reason, such as a long trip or a hospital stay, kept you from telling us, we will extend the time periods.

**Additional Limit on Liability for Debit Mastercard®:** You will not be liable for any unauthorized transactions using your lost or stolen Debit Mastercard® provided that:

- You must notify us promptly (generally within two (2) Business Days) after learning of the loss of your Card, PIN, or Password.
- You have exercised reasonable care in safeguarding your Card.

This additional limit of liability does not apply to commercial cards.

**Telephone Number and Address to Be Notified in the Event of Unauthorized Transfer:** If you believe your Card, PIN, or Password has been lost or stolen or that someone has transferred or may transfer money from your accounts without your permission, call 1-800-67-BUSEY (672-8739) or write to us at Busey Bank, Attention: Customer Care Center, P.O. Box 4028, Champaign, IL 61824.
