

Busey Among 2018 Best-In-State Banks

Recognized by Forbes, Busey Customers in Survey

Busey is honored to be named among the [2018 Best-In-State Banks](#) for Illinois, a first ever recognition by *Forbes* and *Statista*, an analytics firm, based solely on customer opinions. **Busey is among only five banks (and three credit unions) recognized in Illinois.** Busey ranked fourth in Illinois with a customer score of 79.19, exceeding the average score of 75.2 for banks by nearly four points and is among only three downstate Illinois banks to be recognized. In total, 124 **Best-In-State** banks and 145 credit unions were awarded, equaling 2.2% of all banks and 2.5% of all credit unions in the U.S.

The best banks and credit unions in every state are chosen based on an independent survey from a sample of 25,000+ people across the U.S. Survey participants named all banks and/or credit unions where they currently have or previously had a checking and/or savings account. They also rate the bank and/or credit union on the following five factors: **trust, terms and conditions, branch services, digital services and financial advice.**

In addition to being among the **Best-In-State Banks**, Busey is also honored to be recognized among the **Best Places to Work in Illinois** since 2016, **Best Companies to Work For in Florida** since 2017 and **2018 Top Workplaces in St. Louis, Missouri.**

We extend our sincerest gratitude to Team Busey for making these acknowledgements possible, consistently fulfilling Busey's [promise](#) and vision of **service excellence in everything we do for 4 Pillars—associates, customers, shareholders and communities.**
