

Busey Consistently Awarded a Winning Workplace

Recognized regionally in Illinois, Florida and Missouri

Busey is deeply humbled to be consistently recognized as an **employer of choice** across all industries. Earlier this year, Busey was recognized among the **Best Places to Work in Illinois**, an honor received since 2016, and among the **2018 Top Workplaces in St. Louis**.

THE ORGANIZATION IS NOW HONORED TO BE NAMED AMONG THE **BEST COMPANIES TO WORK FOR IN FLORIDA** SINCE 2017 BY *FLORIDA TREND* MAGAZINE AND *BEST COMPANIES GROUP!*

With a significant stake in receiving this award based almost entirely on employee feedback, this prestigious acknowledgement would truly not be possible without **Busey's most valuable asset, associates**. Busey will be recognized and honored in the August issue of [Florida Trend](#) magazine.

Busey thanks its team for making these acknowledgements possible—fulfilling the [Busey Promise](#) and living its vision of **service excellence** year after year. Their continuous contributions make Busey an organization unlike any other.

From health and wellness initiatives to learning and development opportunities and beyond, Busey is honored to invest in and empower our associates. Explore Busey's [Total Rewards](#) and see additional [Awards & Recognition](#) on **busey.com** today.
