

Busey Consistently Recognized Among “Best Banks to Work For”

American Banker and Best Companies Group identifies, recognizes and honors the best banks in the nation

Busey is honored to be consistently recognized among the [Best Banks to Work For](#) by *American Banker* magazine and *Best Companies Group* since 2016. The program—which was established in 2013—identifies, recognizes and honors the best 75 banks to work for in the nation. Busey will also be featured in an article in the September issue of *American Banker*.

Busey is ranked **67 out of 75 organizations** overall, is **one of only three Illinois banks** (Signature Bank in Rosemont #16, Evergreen Bank Group in Oak Brook #49 and Busey #67) and is **among 10 organizations in the mid-size asset category** (between \$3-\$10 billion).

With a significant stake in receiving this award based almost entirely on employee feedback, **this prestigious acknowledgement would truly not be possible without our valued associates.**

Earlier this year, and for a second consecutive time, Busey was named among the **Best Places to Work in Illinois** by *Best Companies Group*, the *Daily Herald Business Ledger* and additional partners. We placed 11th out of 21 organizations in the large employer category with 500+ employees.

Best Companies Group and *Florida Trend* magazine also recognized Busey among the [Best Companies to Work For in Florida](#)—ranked 14th out of 26 employers and among just three financial services organizations in the large employer category with 250+ employees.

We thank Team Busey for making these acknowledgements possible—fulfilling our [promise](#) and living our vision of **service excellence** year after year. Their continuous contributions make Busey an organization unlike any other.
