

Busey Promises 50,000 Meals to Families in Need

In celebration of **Community Promise Month** and to help alleviate hunger in the communities we live and serve, Busey teamed up with eight food pantries to stock their shelves through **Promise a Plate** April 23-27 on social media. With one simple click, a person could donate as many as 33 meals to families in need.

And the results were amazing!

- **50,000** Meals Donated
- **831** Follows, Shares & Comments
- **8** Food Banks Assisted
- **1 Promise** to Battle Hunger

Thanks to the impressive community response, Busey matched the number of meals donated and increased the total donation to 50,000—bringing the grand total to **150,000 meals donated since 2012!**

Busey will distribute the proceeds between eight area foodbanks—Eastern Illinois Foodbank in Urbana, Midwest Food Bank in Normal, Peoria Area Food Bank, Northeast Community Fund in Decatur, Northern Illinois Food Bank in Geneva, St. Louis Area Foodbank, Community Cooperative Ministries in Fort Myers and Harry Chapin Food Bank of Southwest Florida in Fort Myers.
