## Busey Recognized Among 2017 Healthiest Employers

*Award honors companies in greater St. Louis committed to a healthy workplace*

Busey is honored to be recognized among the [2017 Healthiest Employers](#) in greater St. Louis, Missouri by the *St. Louis Business Journal*. As a *finalist* for the award, Busey is acknowledged alongside three other companies (Enterprise Bank & Trust, National Information Solutions Cooperative and Thompson Coburn) and the winner (St. Charles School District) in the “large employer category” (500-1,499 employees).

“Busey is deeply humbled to be recognized for our commitment to supporting associates to be their healthiest and happiest,” says Kelli Baker, Associate Development & Experience Manager for Busey. “Through **B Well**, Busey’s personalized and comprehensive health and wellness program, we engage associates to make positive lifestyle changes through exciting challenges, engaging initiatives, coaching opportunities and so much more.”

Busey also provides lifesaving screenings, flu shots, a smoking cessation program, annual checkups, stress management and beyond. Associates who participate in **B Well** not only enhance overall health, but receive wellness related prizes, premium differential and Health Savings Account or cash incentives—paying out more than \$1 million since 2015.

To be considered among the [Healthiest Employers](#) in greater St. Louis, organizations must: be a business or not-for-profit entity; employ a minimum of two full time employees, including the owner; demonstrate evidence of an employee wellness program and complete an online application.
