The **Busey Bank Run for Prevention** is an annual event that supports the Lee County Coalition for a Drug-Free Southwest Florida. This organization works to reduce substance abuse in Lee County through collaboration, education and inspiration in the community.

Last year, nine associates participated in the event, raising more than \$20,000 to support educational events like the Drug House Odyssey.

We are grateful for associates who live the **Busey Promise** in the communities we serve—giving their time, talents and finances in support of countless causes and charitable organizations.
