

Introducing Money Management Busey's New Budgeting Tool

You asked, and we listened—Busey is pleased to provide Money Management, a new and improved personal financial management tool, through Busey ebank! Money Management will replace FinanceWorks and provide new enhancements, improved accuracy and more:

- Will be available on the Busey Mobile App!
- Create financial goals, view spending trends and track and manage debt
- Improved auto-categorization—a 90% success rate (which means less work for you!)
- A clean, simple and straightforward user experience

To ensure your security, **Money Management users will need to re-enter login credentials from outside accounts and update any budgets and goals created in FinanceWorks.**

Log in to ebank today to get started!
