

*Our **promise** began when we first opened our doors in 1868. Our founders were leaders that understood the significance of economic prosperity and the importance of bettering the community. They offered more than a bank—they enabled a means to grow businesses, build homes and start families.*

That was over 150 years ago. Since then, we have built on a tradition of outstanding service through close relationships and broad financial capabilities. Today, Busey is a leading financial institution serving Illinois, Indiana, Florida and Missouri.

We occupy a unique position. We are large enough to provide innovative products and services while making local decisions and knowing our customers by name. Looking back, we've come a long way, yet the core values—dedicated associates, strong customer partnerships and thriving communities—instilled years ago are still the cornerstones of Busey.

Today, First Busey Corporation is an approximately \$7.9 billion financial holding company, headquartered in Champaign, Illinois—providing a full range of financial services to more than 150,000 households. Van A. Dukeman, President & CEO, and the executive team lead over 1,300 Busey associates and remain dedicated to ensuring the **Busey Promise** is fulfilled for each of our **4 Pillars**—*associates, customers, shareholders and communities.*
